Case No. 2:17-cv-01272-RFB-CWH

ORDER

13 Before the Court is the Motion to Transfer Venue (ECF No. 26). The Court denies the
14 Motion for a few reasons. First, the Court does not find that having the case filed in the unofficial
15 Southern division is overly burdensome in this case. Second, the Court is prepared to try the case
16 as necessary in Reno should the case proceed to trial. The Court does not find it necessary or
17 appropriate to exercise its discretion to transfer this case.¹ The Motion to Transfer Venue is denied.

¹ The Court does note that the motion appears to have been improperly filed as to its links to the other parties in this case. This has lead to the Court responding to this Motion without other submissions.
